

**Instructions for completing
2011 Tennessee School Nutrition Summer (Seamless) Feeding Application
Update**

I. Who qualifies to complete this application.

SFAs/LEAs may list up to five sites per form for sites that were approved in the Summer of 2009 or 2010 except for:

- A. Sites that change any information on the full application form other than those listed on this form.
- B. Closed sites in 2009 or 2010 not based on area eligibility.

II. Email completed Excel application forms to your School Nutrition Consultant.

III. Instruction for entering data.

A. General.

- 1. All fields with headings in red are required.
- 2. Document is protected so that only fields to enter data are accessible.
- 3. Some fields have a drop down list with appropriate selections

B. Feeding Site Information.

All fields where data can be entered are required fields.
At least one Meal Service row must be entered.
